CLOSING OUT SALE

Provides the Greatest Values New York Has Ever Known Increasing Crowds Testify to This Fact, Record-Breaking Sales Substantiate It

In preparing for a new epoch in the career of this great business we have been making history in the retail world-we have accomplished so much beyond our own most ambitious plans and expectations that we have surprised ourselves, startled the entire shopping public and created trade comment in every business center in America

WE have shortly got to turn over the Greenhut Building to the architects and contractors who are under agreement to have the building ready for the new enterprise on a fixed date. You can depend upon it that we are making prices serve our purpose - prices that will effect immediate sellingthey are now crowding our aisles every day and all day.

All these stirring events revolve about this central fact The New

Greenhut-Siegel Cooper Co. which will be a consolidation of Greenhut and Company and Siegel Cooper Co.,

will occupy these two buildings-one great store instead of two -one enterprise under one company and management, with the one purpose of serving the public on a far broader scale than we could possibly do as separate organizations. It will be one of the greatest retail stores in the world—an international shopping place.

T is a bargain-giving event that has NO EQUAL in the history of retail merchandising-we repeat this cardinal fact. repeat it again and again untilitis so deeply impressed upon you that you will not only come and share the good things yourself but tell every friend within your reach NOT TO MISS IT UNDER ANY CIR-CUMSTANCES.

Before We Can Complete Our Consolidation with Siegel Cooper Co. We Must First

Sell Every Dollar's Worth of Merchandise We Can in the

Shortest Possible Space of Time.

Time is short and there is still a big stock of merchandise to be moved. We are not standing on ceremony or following business traditions-WE MUST SELL THE GOODS, and if one price does not sweep them out to-day, a lower price will tomorrow—if not tomorrow, a still lower price the next day. This not only makes us doubly sure of reaching our goal, but it makes the bargains grow greater as the final days approach.
